## **The McLaren HomeCare Group - E-Store News**

### ***Exciting changes are in the wind!***

Beginning in January 2012, McLaren Health Care will be launching a system-wide rebranding campaign, designed to unify all McLaren subsidiaries with a standard corporate brand that patients in each of our district markets will recognize.

This change will bring value to the McLaren system in numerous ways and we are excited by the opportunity to align more closely with a nationally recognized leader in healthcare. More communication on how this will benefit McLaren Homecare Group will follow as we approach the campaign launch. Our Uniform Shop will begin accepting new orders on January 2nd, to deliver the week of January 16th.
